Re: Picillo Waste Disposal Site - EPA Request for Information

Dear Mr. Blumstein:

In furtherance of my letter to you of August 31, 1982 and our telephone conversations of August 30 and October 8, 1982, this is to request again that I be provided with a list of all those companies and individuals whose names were found on drums at the site or who received letters similar to the July 22, 1982 letter Lester A. Sutton sent Dr. Luis Herz.

If you have for any reason changed your mind and no longer intend to provide the list, I would appreciate your telling me so.

Sincerely,

George M. Britts
